

LEGACY

2011

SUBARU

Always a Subaru.

The difference in driving a Subaru is the confidence you feel. A deep sense of contentment that comes from a consistent balance of exciting performance, ingenious design and reassuring safety rarely found in such harmony. It starts with our exclusive engineering – Subaru symmetrical full-time All-Wheel Drive for greater control and the SUBARU BOXER engine for greater balance. And it extends to every component of your vehicle to create a thoroughly incredible driving experience that simply cannot be ignored.

Always

a compromise-free zone.

Experience the 2011 Subaru Legacy and you'll feel this confidence immediately and from every seat. The interior boasts ample space, plenty of desirable features and the kind of tactile quality to the materials that brings pleasure with every encounter. But the driver's seat is where most of the enjoyment is felt, particularly this sedan's blend of performance and sublime handling. When you combine these qualities with excellent fuel efficiency, class-leading safety systems, superb value and exciting styling, you've got a Japanese sedan with a clear edge over the competition. The idea of compromise is so five minutes ago.

a Subaru Legacy.

Always a stirring performance.

Always smart, stylish and accommodating.

Always safe and secure.

Always

inspiring the long way home.

The Subaru Legacy is built to make every drive enjoyable. Its unique engineering allows for easily accessible power and poised control, responding to your every touch to deliver excitement in every turn.

Stay connected.

Subaru symmetrical full-time All-Wheel Drive

Symmetry gives you balance. Balance gives you control. This is why Subaru has spent nearly 40 years developing and perfecting the Subaru symmetrical full-time AWD system. Enhanced by the SUBARU BOXER engine for an almost perfectly symmetrical layout, it maximizes the power delivery with exceptional traction and generates balance and stability for better control in all conditions. More control inspires more confidence behind the wheel and a more gratifying driving experience overall.

DYNAMIC PERFORMANCE

Exceptional traction, courtesy of Subaru symmetrical full-time AWD, makes acceleration feel immediate and exhilarating. Combined with its symmetrical drivetrain layout, the Legacy is able to deliver responsive handling, stability in the corners and a unique feeling of control at all times.

CONSTANT CONTACT

The more your tires are engaged with the road, the more control you have. This is why power is routed to all four wheels while the vehicle is in motion, so the AWD system doesn't have to react to potential hazards like puddles, bumps or potholes in the road. Instead, the system is able to keep the tires connected to the road as closely as possible at all times.

AGILITY IN AN EMERGENCY

In poor weather, or in the precious seconds it takes to react to a sudden situation, the Subaru symmetrical full-time AWD system – which is almost perfectly balanced side-to-side – provides the stability, agility and traction that help you steer away from danger.

Stay balanced.

SUBARU BOXER engine

Few other vehicles drive with the assertive strength and smooth ease of the Subaru Legacy, so it's little surprise that this result has been achieved by an innovative design that separates it from the pack. The horizontally opposed configuration of the SUBARU BOXER engine places the pistons 180 degrees apart for a lower, flatter profile than other engine types. This gives the engine, and therefore the overall vehicle, a lower centre of gravity and better sense of balance. Furthermore, the pistons' opposing movements inherently counteract each other, naturally helping to reduce vibration and boost driving comfort.

INCREASED STABILITY

Because the engine block has a flatter profile and sits lower in the chassis, the vehicle is more balanced and resistant to side-to-side motion than other engine configurations.

SMOOTH POWER

At any rpm level, the engine delivers immediate, responsive power that comes on smooth. This occurs because the pistons lay flat and work against each other to reduce vibration, making the ride as easy and comfortable as it is exciting.

LONG-LASTING PERFORMANCE

The engine's flat design is inherently rigid and self-balancing, generating less vibration than V-type and most in-line engines for exceptional durability and reliable performance.

Opposing forces. Powerfully united.

THE DIFFERENCE:

The horizontally opposed design of the SUBARU BOXER engine fires with a powerful punch-counterpunch action.

THE ADVANTAGE:

It's naturally balanced for exceptional smoothness, inherently rigid for greater strength and has a lower profile for better handling.

3.6-LITRE DOHC SUBARU BOXER

HORSEPOWER: 256 HP @ 6000 RPM
TORQUE: 247 LB-FT @ 4400 RPM
FUEL ECONOMY (L/100 KM): CITY 11.8 / HWY 8.2 (5EAT)

The largest, most refined engine ever offered in the Subaru Legacy delivers smooth power, quiet operation, low emissions and commendable efficiency. Light, compact and perfectly balanced by design, the 6-cylinder DOHC SUBARU BOXER engine also features the Dual Active Valve Control System for impressive torque. Lower friction and increased rigidity further reduce noise, vibration, fuel consumption and emissions.

2.5-LITRE TURBO DOHC SUBARU BOXER

HORSEPOWER: 265 HP @ 5600 RPM
TORQUE: 258 LB-FT @ 2000-5200 RPM
FUEL ECONOMY (L/100 KM): CITY 11.5 / HWY 8.0 (6MT)

The award-winning 2.5-litre turbocharged DOHC SUBARU BOXER engine has been refined to deliver a near-perfect balance of breathtaking response and reduced emissions. Its Dual Active Valve Control system and turbocharger combine to boost performance and create an incredibly wide torque band for improved driveability. The net effect is an incredibly smooth powerplant capable of providing genuine excitement, refreshing efficiency and a surprising combination of both.

2.5-LITRE SOHC SUBARU BOXER

HORSEPOWER: 170 HP @ 5600 RPM
TORQUE: 170 LB-FT @ 4000 RPM
FUEL ECONOMY (L/100 KM): CITY 10.6 / HWY 7.4 (6MT)
CITY 9.1 / HWY 6.4 (CVT)

Naturally smooth and strong, the Legacy's SOHC engine also delivers excellent fuel economy that is comparable to the average front-wheel-drive sedan. This is a surprising level of efficiency completely unexpected in a mid-size AWD sedan. Its smart design makes this SUBARU BOXER engine more responsive around town, more satisfying on the highway and cleaner-running on virtually any road.

+ PZEV EQUIPMENT

For even greater eco-friendliness, the SOHC SUBARU BOXER engine in the Legacy 2.5i Convenience Package can be combined with PZEV equipment to reduce smog-forming emissions to near zero without any adverse effect on performance. This technology allows it to meet California's Super Ultra Low Emission Vehicle (SULEV) tailpipe standard and achieve zero evaporative emissions to become one of the cleanest gas-powered vehicles on the road today. The Legacy 2.5i Convenience Package with PZEV equipment is also SmartWay® certified by the U.S. Environmental Protection Agency, signifying that it achieves strict, predetermined levels for fuel economy and tailpipe emissions.

Confidence in every gear.

THE DIFFERENCE:

The Legacy offers a choice of transmissions, each one mated to its own variation of Subaru symmetrical full-time AWD to optimize traction and power delivery.

THE ADVANTAGE:

Choice means you are always in control, so you can select the system that best suits your driving needs.

LINEARTRONIC® CVT + MULTI-PLATE TRANSFER CLUTCH AWD

For instant, seamless response to changing conditions, Legacy 2.5i models are available with Lineartronic CVT, a Continuously Variable Transmission that uses a chain instead of a belt – allowing a greater span of overall ratios for significantly improved performance and efficiency as well as faster response to your throttle input. It's mated to a multi-plate transfer clutch AWD system that responds to traction conditions, the transmission and driver input by continuously controlling the torque distribution front to rear. This AWD system maintains a 60/40 torque split (front/rear) for more predictable handling and automatically adjusts up to a 50/50 split under hard acceleration or when conditions warrant. Paddle shifters also provide a 6-step manual mode for quick response on demand.

5-SPEED AUTOMATIC TRANSMISSION + VARIABLE TORQUE DISTRIBUTION AWD

Legacy 3.6R models come equipped with a Variable Torque Distribution (VTD) AWD system paired with a refined 5-speed electronic direct control automatic transmission with Manual Mode. Using an electro-mechanical centre differential with the advanced capabilities of a planetary gear set, VTD maintains a sporty 45/55 (front/rear) torque split and moves towards a 50/50 torque split in slippery conditions or under hard acceleration. This electronically controlled 5-speed transmission also features driver-adaptive shifting, blipping control for sportier downshifts and Manual Mode for manual gear selection via paddle shifters.

6-SPEED MANUAL TRANSMISSION

+ VISCOUS-COUPLING LIMITED-SLIP CENTRE DIFFERENTIAL AWD
For maximum control and sporty satisfaction, a slick-shifting 6-speed manual transmission is standard on the Legacy 2.5i and 2.5GT. This transmission is linked to an AWD system that utilizes a viscous-coupling limited-slip centre differential and maintains a 50/50 torque split (front/rear) for heightened response under all conditions. It also offers smooth, precise shifting in a compact and lightweight design to further boost the vehicle's sporty nature while providing excellent fuel efficiency overall.

Lineartronic CVT (Continuously Variable Transmission)

CRUISE CONTROL

Standard on all models, the electronic cruise control allows the driver to maintain a preset speed on the open road. For added convenience and increased safety, the system controls are located on the steering wheel.

PADDLE SHIFTERS

Whether equipped with the innovative Lineartronic CVT or 5-speed automatic transmission, the Legacy offers the sporty option of manual-style control via paddle shifters mounted behind the steering wheel.

Levelheaded. Surefooted. And wholehearted.

THE DIFFERENCE:

Every aspect of a vehicle's design affects the way it drives. And the way each part interacts with every other part can change the way it responds to the input you provide. That's why we look at the vehicle as a whole and craft each component of the Legacy to work in harmony with one goal in mind: perfect handling.

THE ADVANTAGE:

With each part – both big and small – working in concert, the Legacy achieves its unique balance between sharp response and a smooth ride, giving you confidence in all conditions and satisfaction at every turn.

SUBARU DYNAMIC CHASSIS CONTROL CONCEPT

The Legacy elevates the inherent advantages of its signature Subaru layout – balance, composure and response – with the Subaru Dynamic Chassis Control Concept (DC³). The body uses high-tensile steel in critical areas to achieve high strength with light weight. A highly rigid Cradle Mount front-end structure delivers an accurate, natural steering feel while allowing the engine and suspension to be effectively isolated from the cabin for a smoother, quieter ride. The result is everything that makes driving a pleasure: confidence with comfort, sportiness with safety, and elegance with efficiency – all in perfect balance.

FRONT SUSPENSION

The Legacy's strut-type front suspension features a highly rigid Cradle Mount System, a wide track and long wheel travel. Together they deliver flatter cornering as well as a quieter, more comfortable ride over a variety of road surfaces.

REAR SUSPENSION

The Legacy's double-wishbone rear suspension handles rough roads and sharp corners with both poise and precision, ensuring maximum tire contact and minimum vibration at all times. All suspension links and the rear differential are rubber-isolated from their rigid subframe, further reducing the level of noise, vibration and harshness that reaches the passenger cabin.

Image for illustrative purposes only.

Always smart, never boring.

Thinking ahead is the very essence of Subaru and the Legacy's wide range of capabilities reflects this singular focus. Of course, everything you would expect from a mid-size Japanese sedan is right here. But so too is a level of style and performance that is completely unexpected. This is intelligent design in its purest form.

At your fingertips. Any time.

The Legacy places every control and instrument where your hands and eyes expect to find them. Then it treats you to a wide array of desirable features that you might not expect.

IN-DASH NAVIGATION SYSTEM

This GPS DVD-based navigation system allows you the convenience to get where you're going with simple, step-by-step instructions. The voice-recognition feature lets you operate the system in a normal speaking voice in either English, French or Spanish. Its built-in 8-inch high-resolution VGA touchscreen also features a large display located on the centre stack for easy viewing.

Available with Multimedia Option only.

IN-DASH MONITOR / REAR-VIEW CAMERA / DVD ENTERTAINMENT SYSTEM

The multi-purpose VGA screen does more than just display navigation instructions. It also features a calculator and calendar for added convenience and can display a live, full-colour image along with guide lines when driving in reverse via the rear-view camera. When the vehicle is in park, you can also relax and watch your favourite DVDs – it's like a drive-in movie without having to leave your driveway!

Available with Multimedia Option only.

BLUETOOTH® HANDS-FREE CALLING

Available as standard equipment on many models*, blueconnect® allows you to make hands-free calls using your Bluetooth-enabled mobile phone. This voice-activated system can be paired with multiple phones, store multiple numbers and function in English, French and Spanish. The Bluetooth system standard with the Multimedia Option and 2.5GT offers all of the above features plus even more communication options. Incoming calls are displayed on the navigation touchscreen and you can answer or make calls through the touchscreen, voice commands or steering wheel controls.

**2.5i Convenience Package, 2.5i Sport Package, 2.5i Limited Package, 3.6R and 3.6R Limited Package.*

3.6R Limited Package with Multimedia Option

A feast for the senses.

Whatever your taste in music, wherever your sense of adventure leads and however you feel like driving, the Legacy indulges you in distinguished comfort and with a distinct sense of well-being. This feeling begins the moment you slip inside the cabin: You're enveloped by high-quality materials and surrounded by thoughtful features. The meticulously structured seats. The ergonomically designed controls. And the superior headroom and legroom – for all five passengers. The Subaru Legacy: Driving enjoyment in every sense of the word.

HARMAN KARDON® SPEAKERS

The available 9-speaker, 440-watt Harman Kardon speaker system is designed to take your listening pleasure to new heights. Door speakers feature exclusive Metal Matrix Diaphragm construction and powerful neodymium magnets for tight mid-range and far-reaching treble with minimal distortion. A 200-mm subwoofer provides rich, full bass, while an 8-channel amplifier ensures crystal clear sound overall.

Legacy 2.5i Limited Package, 2.5GT and 3.6R Limited Package.

SIRIUS® SATELLITE RADIO

Many Subaru Legacy models come standard with SIRIUS Satellite Radio and a free 3-month trial subscription to this fantastic service. With over 100 satellite radio channels on the dial, you're certain to find exactly what you're looking for – everything from music to news, sports and talk radio.

Legacy 2.5i Sport Package, 2.5i Limited Package, 2.5GT, 3.6R and 3.6R Limited Package. Accessory and subscription required for 2.5i and 2.5i Convenience Package models.

AUXILIARY AUDIO INPUT AND MEDIAHUB

Just plug your portable music player into the standard auxiliary audio input and your playlist is given its proper respect – cascading through the sound system. An available MediaHub* with USB input allows MP3s to be played off a USB key and enhances iPod® integration even further. It lets you recharge your iPod and select your music through the vehicle audio controls. Models with the Multimedia Option also enjoy Bluetooth® streaming audio for cordless connectivity. Lastly, the in-dash CD player is MP3/WMA compatible as well, giving you another way to share your music with the world.

**Legacy 2.5i Sport Package, 2.5i Limited Package, 2.5GT, 3.6R and 3.6R Limited Package.*

3.6R Limited Package

As flexible as you are.

The Legacy sedan offers plenty of room for you and your passengers. The spacious cabin easily accommodates five adults with plenty of leg and elbow room, while a sensible exterior size makes it easy to manoeuvre around town. And the expansive trunk handles cargo with equal ease: four 9-inch golf bags fit comfortably due to its smart design.

PLACES FOR LIFE'S LITTLE THINGS

Thoughtful design and engineering are evident throughout the spacious cabin. A roomy centre console includes a 12-volt power outlet and a dual-layer compartment. Also standard are four cup holders (two in the centre console and two in the rear-seat armrest), a large locking glove box, multiple storage areas and generous front- and rear-door pockets, each with their own bottle holder.

SPACE FOR LIFE'S BIG THINGS

The Legacy's roomy trunk features non-intruding hinges, and unlocks electronically via a button in the cabin or on the remote key. Standard 60/40-split rear seats that fold flat expand trunk capacity even further, while a segmented tray concealed under the carpeted floor is perfect for stowing loose items.

Thoughtfully equipped, inside and out.

Electronic Parking Brake

The push-button parking brake is easier to operate than a pedal or lever and frees up space in the footwell and centre console.

4-way Adjustable Steering Column

To help set your optimal driving position, the adjustable steering wheel tilts up/down and telescopes in/out.

Illuminated Vanity Mirrors

Illuminated vanity mirrors for both the driver and front-seat passenger bring added convenience to the interior cabin.

Dual-zone Automatic Climate Control
(2.5i Limited Package, 2.5GT and 3.6R Limited Package)

Dual-zone automatic climate control ensures that the driver and front-seat passenger are always riding in comfort. Features include a digital display, synchronization mode and one-touch defrost mode for the windshield.

16-inch Aluminum Alloy Wheels
(2.5i Convenience Package)

The Legacy 2.5i Convenience Package comes standard with lightweight 8-spoke 16-inch aluminum alloy wheels designed for confident cornering and increased comfort.

17-inch Aluminum Alloy Wheels
(2.5i Sport Package, 3.6R and Limited Package models)

The 10-spoke 17-inch aluminum alloy wheels on the Legacy 2.5i Sport Package, 2.5i Limited Package, 3.6R and 3.6R Limited Package are a handsome complement to an already sleek sedan.

18-inch Aluminum Alloy Wheels
(2.5GT)

Available exclusively on the Legacy 2.5GT, these racy 15-spoke 18-inch wheels are made of lightweight aluminum alloy for superior cornering.

Power Glass Sunroof
(2.5i Sport Package, 2.5i Limited Package, 2.5GT, 3.6R and 3.6R Limited Package)

The available sunroof with sunshade delivers a wide panoramic view and fresh breezes for front and rear passengers.

Carbon Fibre Trim and Alloy Sport Pedals
(2.5GT)

The performance-oriented image of the Legacy is further reinforced by sporty and stylish aluminum alloy sport pedals, rubber studs on the driver's footrest, and simulated carbon fibre trim along the doors and dashboard.

High-level Information Display

A convenient digital readout that sits atop the dashboard delivers the time, outside temperature, distance to empty, current fuel consumption and average fuel consumption.

Power Driver's Seat
(2.5i Convenience Package, 2.5i Sport Package, 2.5i Limited Package, 2.5GT, 3.6R and 3.6R Limited Package)

The Legacy driver benefits from the perfect driving position via a 10-way power-adjustable seat featuring lumbar support. Front-seat passengers in the 2.5GT and Limited Package models also gain a 4-way power seat.

Heated Front Seats

Standard heated front seats offer two settings for rapid heating or soothing warmth.

Auto ON/OFF Headlights

A light sensor triggers the headlights automatically at dusk or any time that daylight is restricted. When you remove the keys from the ignition, the headlights will also automatically turn off.

Power-adjustable Door Mirrors

Generous door mirrors are aerodynamically sculpted for reduced wind noise, heated to defog or melt away frost, power-adjustable to create superior visibility, and foldable to better fit narrow parking spaces.

Fog Lights
(2.5i Sport Package and 2.5GT)

Multi-reflector halogen fog lights emit a wide, flat beam that reflects less glare in fog for added visibility and safety.

Low-profile Rear Spoiler
(2.5i Sport Package and 2.5GT)

This trunk-mounted rear spoiler adds even more style to the Legacy and added aerodynamic efficiency to boot.

Always feel in control.

Through every twist and turn, rest assured that your Subaru Legacy has put advanced technologies in your hands and all around you, helping to keep you safe and putting your mind at ease.

In full command of your safety.

THE DIFFERENCE:

The Legacy's all-wheel-drive agility and active safety systems provide excellent evasive capabilities.

THE ADVANTAGE:

The best way to survive a collision is to avoid one, so every Subaru vehicle equips drivers with the best tools available to steer clear of danger.

ACTIVE SAFETY, TO AVOID A COLLISION

At Subaru, our goal is to inspire confidence and peace of mind on every road. This means designing exceptionally safe vehicles that allow you to travel free of worry. In fact, many of the same features that make the Legacy so rewarding to drive also contribute to its dedication to safety. The stable, responsive handling of Subaru symmetrical full-time AWD assures maximum control in virtually any weather condition. And the SUBARU BOXER engine enhances this security thanks to a lower centre of gravity, creating an even closer connection to the road. Standard Vehicle Dynamics Control and generously sized brakes endow it with athletic reflexes, while the Cradle Mount System improves suspension performance and steering precision to equip the driver with excellent evasive ability. All these measures support Subaru's belief that the best way to survive a collision is not to have one in the first place.

VEHICLE DYNAMICS CONTROL SYSTEM

Standard on every Legacy, the Vehicle Dynamics Control[†] system monitors and analyzes if the vehicle is following the driver's intended course via an array of sensors. If the vehicle approaches the limits of stability, the AWD torque distribution*, engine output and brakes at each wheel are adjusted automatically to assist in keeping the vehicle on course.

BRAKING SYSTEM

The standard 4-wheel disc brakes feature lightweight aluminum rear calipers and a strong, reassuring brake feel. The Anti-lock Braking System (ABS) includes Electronic Brake-force Distribution to automatically adjust front/rear braking pressure when vehicle load changes. Brake Assist provides greater force in sudden panic situations and the driver-selectable Hill Holder system helps prevent rollback when starting off on a 5% or steeper incline by applying the electronic parking brake and automatically releasing it once you're underway.

*Lineartronic® CVT and 5EAT models only.

[†]The Subaru Vehicle Dynamics Control system may also be known as Electronic Stability Control.

Completely prepared, just in case.

THE DIFFERENCE:

If a crash is unavoidable, the Legacy's smart construction and advanced technologies are fully prepared to protect you during impact.

THE ADVANTAGE:

A reputation for superior safety gives you the peace of mind to know you're in capable hands.

PASSIVE SAFETY, TO LESSEN THE CHANCE OF INJURY IN A COLLISION

At Subaru, there is never an end to the pursuit of safety. We set high standards, constantly enhancing features while earning acclaim along the way. But even with the most advanced active safety systems, sometimes an accident is simply inevitable. That is why the Legacy is designed to protect its occupants with a series of advanced systems and features, balancing rigid strength with controlled deformation in key areas to better manage impact forces. For example, the Cradle Mount System that houses its engine effectively lengthens the front crumple zone. Each side door includes two side-impact protection beams. And a comprehensive suite of airbags, whiplash-reducing front seats, collapsible pedals and 3-point seatbelts are all designed to help protect occupants even further. It's a core value of the Subaru philosophy that peace of mind is the first step in providing true driving enjoyment.

RING-SHAPED REINFORCEMENT FRAME

The advanced ring-shaped reinforcement frame strengthens the passenger cabin from the roof to the doors, pillars and floor. This design helps to dissipate impact energy and divert it away from occupants in a collision. The front crumple zone is integral to the frame, while the cradle mounting for the engine is designed to help keep these components farther from the passenger compartment in a front impact.

SEATS, SEATBELTS AND AIRBAGS

Standard on every Legacy are front, front-side and side curtain airbags. Height-adjustable front seatbelts feature pretensioners to hold passengers firmly in place and load limiters ease peak forces to the chest. In a rear collision, specially designed front seats utilize rigid frames, firm headrests and such details as energy-absorbing mounting of the inner seat springs, all to help reduce the chance of whiplash.

PEDESTRIAN PROTECTION

The Legacy was also designed with the objective of providing a high level of pedestrian protection. Shock-absorbing space between the hood and engine helps to reduce pedestrian injury in an accident, as do an energy-absorbing front bumper and a specially designed area around the windshield wipers.

**INSURANCE INSTITUTE
FOR HIGHWAY SAFETY**

**5-STAR ★★★★★
CRASH TEST RATING**

National Highway Traffic Safety
Administration's (NHTSA's)
New Car Assessment Program

2010 model year ratings. ¹Ratings of "Good" are the highest rating awarded for 40-mph frontal offset, 31-mph side-impact and 20-mph rear-impact crash tests conducted by the Insurance Institute for Highway Safety (IIHS) (www.iihs.org). A "Good" rating obtained in all three crash tests plus a "Good" rating in new roof strength testing and the availability of Electronic Stability Control (ESC) (Vehicle Dynamics Control) achieves a 2010 Top Safety Pick. ²U.S. Government star crash-test ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). A five-star crash-test rating is the highest government rating for a) Driver and right front seating positions in frontal crash tests, b) Front and rear seating positions in side-impact crash tests and c) Rollover testing.

LINEUP

LEGACY 2.5i

Selected standard features:

Horizontally opposed, 4-cylinder, 2.5L SUBARU BOXER engine with i-Active Valve Lift System

170 horsepower and 170 lb-ft of torque

6-speed Manual Transmission (6MT) or optional Lineartronic® CVT (Continuously Variable Transmission) with paddle shifters

Subaru symmetrical full-time All-Wheel Drive

Vehicle Dynamics Control system and Traction Control System

Anti-lock Braking System with Electronic Brake-force Distribution (EBD) and Brake Assist

Electronic parking brake with driver-selectable Hill Holder system

Driver and front passenger front and side-impact airbags; side curtain airbags

Fuel economy: 6MT (L/100 km): City 10.6 / Hwy 7.4 Lineartronic CVT (L/100 km): City 9.1 / Hwy 6.4

Exterior colours available: Azurite Blue Pearl, Caramel Bronze Pearl (shown), Crystal Black Silica, Graphite Grey Metallic, Ruby Red Pearl, Satin White Pearl, Sky Blue Metallic, Steel Silver Metallic.

Interior colour: Black or Ivory (shown) dependent on exterior colour.

LEGACY 3.6R

Selected standard features:

Horizontally opposed, 6-cylinder, 3.6L SUBARU BOXER engine with Dual Active Valve Control System

256 horsepower and 247 lb-ft of torque

5-speed Electronic Direct Control Automatic Transmission with Manual Mode (5EAT), blipping control and paddle shifters

17-inch aluminum alloy wheels

Power tilting and sliding glass sunroof

Power windows (driver's auto up/down)

AM/FM/CD/MP3/WMA audio system with 4 speakers, auxiliary audio input and steering wheel-integrated controls

Fuel economy: 5EAT (L/100 km): City 11.8 / Hwy 8.2

Exterior colours available: Azurite Blue Pearl, Caramel Bronze Pearl, Crystal Black Silica (shown), Graphite Grey Metallic, Ruby Red Pearl, Satin White Pearl, Sky Blue Metallic, Steel Silver Metallic.

Interior colour: Black (shown) or Ivory dependent on exterior colour.

LEGACY 2.5GT

Selected standard features:

Turbocharged and intercooled, horizontally opposed, 4-cylinder, 2.5L SUBARU BOXER engine with Dual Active Valve Control System

265 horsepower and 258 lb-ft of torque

6-speed Manual Transmission (6MT)

18-inch aluminum alloy wheels with Summer Performance tires[‡]

Power tilting and sliding glass sunroof

Low-profile rear spoiler with integrated brake light

Multi-reflector halogen fog lights

AM/FM/CD/MP3/WMA audio system with 9-speaker Harman Kardon® system, 440-watt Harman Kardon amplifier, auxiliary audio input, steering wheel-integrated controls and Bluetooth streaming audio

Fuel economy: 6MT (L/100 km): City 11.5 / Hwy 8.0

Exterior colours available: Azurite Blue Pearl, Caramel Bronze Pearl, Crystal Black Silica, Graphite Grey Metallic, Ruby Red Pearl (shown), Satin White Pearl, Steel Silver Metallic.

Interior colour: Black (shown).

CONVENIENCE PACKAGE

Available on Legacy 2.5i (Lineartronic CVT only)

16-inch aluminum alloy wheels

Stainless steel exhaust tip

10-way power-adjustable driver's seat including lumbar support

Voice-activated blueconnect Bluetooth hands-free system

+PZEV OPTION

Available with Convenience Package

PZEV emissions equipment

PZEV rear badge

PZEV embroidered floor mats

SPORT PACKAGE

Available on Legacy 2.5i

17-inch aluminum alloy wheels

Power tilting and sliding glass sunroof

Multi-reflector halogen fog lights

Low-profile rear spoiler with integrated brake light

Windshield wiper de-icer

Stainless steel exhaust tip

10-way power-adjustable driver's seat including lumbar support

Leather-wrapped gear selector (6MT) and steering wheel

Auto-dimming rearview mirror with compass

Power windows (driver's auto up/down)

MediaHub for iPod/USB audio integration

SIRIUS Satellite Radio installed (free 3-month trial subscription included)

Voice-activated blueconnect Bluetooth hands-free system

LIMITED PACKAGE

Available on Legacy 2.5i (Lineartronic CVT only) and 3.6R (5EAT)

17-inch aluminum alloy wheels*

Power tilting and sliding glass sunroof*

Windshield wiper de-icer*

Stainless steel exhaust tip(s)*

Premium AM/FM/6CD/MP3/WMA audio system
9-speaker Harman Kardon system including subwoofer

440-watt Harman Kardon amplifier
MediaHub for iPod/USB audio integration*
SIRIUS Satellite Radio installed (free 3-month trial subscription included)*

Voice-activated blueconnect Bluetooth hands-free system*

Dual-zone automatic climate control

Auto-dimming rearview mirror with compass*

Power windows (driver's auto up/down)*

Leather-wrapped steering wheel*

Woodgrain interior trim

Brushed aluminum front door sills

10-way power-adjustable driver's seat including lumbar support* and 4-way power-adjustable front passenger seat

Perforated leather seating surfaces

+ MULTIMEDIA OPTION

Available with Limited Package

AM/FM/CD/MP3/WMA audio system

Voice-activated Bluetooth hands-free system

Bluetooth streaming audio

Rear-view camera

DVD playback

Voice-activated GPS DVD-based navigation system

Monitor system featuring a colour touchscreen with calculator and calendar

*Selected features standard on 3.6R.

See 2011 Subaru Legacy specification insert for full details and colour samples.

†Dealer accessory and subscription required. ‡Please review Owner's Manual for usage details.

ACCESSORIES

While every Legacy comes generously equipped, Genuine Subaru accessories are the perfect way to tailor yours to suit your life and your style. Designed to provide the same fit and quality as your Subaru, these accessories can add convenience, enhance functionality, personalize appearance or boost performance.

- Bike carrier (roof-mounted)
- blueconnect® Bluetooth® hands-free system
- Bumper corner moulding
- Car cover
- Cargo area nets (side)
- Cargo area tray
- Cargo organizer
- Cargo roof box (several styles and sizes)
- Crossbar set
- Fog lights
- Hood deflector (non-turbo models only)
- Illuminated door sill plates (blue cast)
- Interior illumination kit (blue cast)
- Kayak stacker
- Low-profile rear spoiler
- MediaHub for iPod®/USB audio integration (also available with Bluetooth streaming audio)
- Puddle lights
- Rearview mirror – auto-dimming with compass and HomeLink®
- Remote engine starter (AT only)
- Rubber floor mats
- Satellite radio (SIRIUS®)
- Security system upgrade (shock sensor)
- Shift knobs – Duracon or STI-branded
- Short throw shifter (6MT)
- Subwoofer/amplifier
- Side window deflectors
- Ski/snowboard carrier
- Splash guards
- Sunroof deflector
- STI flexible strut tower brace
- Tweeter kit
- Winter wheels

For more accessory options, visit subaru.ca or your local Subaru dealer.

Legacy 2.5GT shown with: Front and rear corner moulding, sunroof deflector and splash guards.

Low-profile rear spoiler

Fog lights

Sunroof deflector

Puddle lights

Cargo area tray

Cargo area net

STI flexible strut tower brace

blueconnect Bluetooth hands-free system

Subaru Warranties

Every Subaru vehicle is designed and built to offer our customers the highest possible level of quality and reliability. We are proud of our vehicles and proud to stand behind them with a comprehensive warranty. For 2011 model year vehicles, the warranty on all Subaru vehicles consists of the following:

New Vehicle Limited Warranty (36 month/60,000 km) – Covers basic and major components for 36 months or 60,000 km.

Major Component Limited Warranty (60 month/100,000 km) – Extends coverage of major components (more than just powertrain) up to 60 months or 100,000 km.

Surface Corrosion Limited Warranty (36 month/60,000 km) – Covers surface corrosion to visible painted body panels for 36 months or 60,000 km.

Anti-Perforation Limited Warranty (60 month/unlimited km) – Covers perforation due to corrosion to body sheet metal panels for 60 months, regardless of kilometres.

Emission Control System Limited Warranty – Covers the majority of emissions components for 36 months or 60,000 km and the major parts of the emission control system for 96 months or 130,000 km.

Parts and Accessories Limited Warranty – Covers Subaru parts and accessories installed by the dealer prior to retail delivery of the vehicle for 36 months or 60,000 km, and Subaru parts and accessories installed by the dealer after the retail delivery of the vehicle for 12 months or 20,000 km from the date of the installation.

The above information is an overview of warranty coverage and is not a warranty statement. If you wish to see more details regarding Subaru warranties, please refer to your Subaru warranty booklet, contact your local dealer or visit our Web site at subaru.ca.

Subaru C.A.R.E. (Customer Assistance for Roadside Emergencies)

The Subaru C.A.R.E. program (which is backed by the Canadian Automobile Association [CAA]) is offered free of charge for the first three years from date of purchase on every new Subaru vehicle or as part of a Subaru Protection Plan. As a Subaru C.A.R.E. member, you can count on fast, courteous emergency roadside assistance 24 hours a day, 365 days a year. You will receive a membership card and have access to a dedicated toll-free telephone number (in English or French), allowing you to take advantage of over 20,000 roadside assistance contractors and 1,000 CAA and American Automobile Association (AAA) offices throughout Canada and the United States. Ask your dealer for details or visit subaru.ca.

Subaru Canada, Inc. is proud to be the first vehicle manufacturer to have a direct relationship with CAA, giving our customers the benefit of CAA's unparalleled level of experience and service.

Subaru Protection Plan

As a Subaru owner, you have expectations for a pleasurable, trouble-free ownership experience – now and into the future. Once your 36-month/60,000-km New Vehicle Limited Warranty period ends,* our Subaru Protection Plan (SPP) – the only vehicle service contract endorsed by Subaru Canada for Subaru vehicles – can prolong your hassle-free ownership experience with three levels of extended service contract coverage tailored to your needs: Powertrain Protection; Major Protection; or Complete Protection (best level of coverage to complement the 60-month/100,000-km Major Component Limited Warranty). SPP offers comprehensive mechanical and electrical coverage and a number of additional features and benefits, such as Roadside Assistance and Alternate Transportation, for up to 7 years or 160,000 km from your vehicle's in-service date. Whether your vehicle is purchased or leased, SPP protects you and your investment. Be sure to ask your dealer for details or visit subaru.ca.

*If you already own a Subaru vehicle and it is still within the 36-month/60,000-km New Vehicle Limited Warranty period, you are still eligible for SPP!

2011 LEGACY SPECIFICATIONS

ENGINE

2.5i, 2.5i Convenience Package, 2.5i Sport Package, 2.5i Limited Package

Type	2.5L Single Overhead Cam (SOHC), 16-valve, horizontally opposed, 4-cylinder SUBARU BOXER engine, Electronic Throttle Control and i-Active Valve Lift System
Power	170 hp @ 5600 rpm
Torque	170 lb-ft @ 4000 rpm
	PZEV emissions equipment available on 2.5i Convenience Package with PZEV Option.

2.5GT

Type	2.5L Dual Overhead Cam (DOHC), 16-valve, horizontally opposed, 4-cylinder SUBARU BOXER engine with turbocharger and intercooler, Electronic Throttle Control and Dual Active Valve Control System
Power	265 hp @ 5600 rpm
Torque	258 lb-ft @ 2000-5200 rpm

3.6R, 3.6R Limited Package

Type	3.6L Dual Overhead Cam (DOHC), 24-valve, horizontally opposed, 6-cylinder SUBARU BOXER engine, Electronic Throttle Control, Dual Active Valve Control System
Power	256 hp @ 6000 rpm
Torque	247 lb-ft @ 4400 rpm

5EAT : City/Hwy (L/100 km)	-	-	11.8 / 8.2
Recommended minimum octane (*required)	87	91* / 93	87

Legacy models meet Low Emission Vehicle (LEV2) standards.

2011 LEGACY

TRANSMISSION AND DRIVETRAIN

2.5i, 2.5i Convenience Package, 2.5i Sport Package

<i>Standard</i>	6-speed Manual Transmission (6MT) Viscous-coupling limited-slip centre differential
<i>Optional</i>	Lineartronic® CVT (Continuously Variable Transmission) with manual mode and paddle shift controls Electronically controlled multi-plate transfer clutch

2.5i Limited Package

<i>Standard</i>	Lineartronic CVT (Continuously Variable Transmission) with manual mode and paddle shift controls Electronically controlled multi-plate transfer clutch
-----------------	---

2.5GT

<i>Standard</i>	6-speed Manual Transmission (6MT) Viscous-coupling limited-slip centre differential
-----------------	--

3.6R, 3.6R Limited Package

<i>Standard</i>	5-speed Electronic Direct Control Automatic Transmission with Manual Mode (5EAT), blipping control and paddle shift controls Variable Torque Distribution (VTD)
-----------------	--

All models are equipped with a Subaru symmetrical full-time All-Wheel Drive system.

CHASSIS

	• • • Brakes: Anti-lock Braking System with Electronic Brake-force Distribution (EBD)
	• • • Brakes: Brake Assist
	• - - Brakes (front): Ventilated discs (294 x 24 mm), dual-piston calipers
-	• • • Brakes (front): Ventilated discs (316 x 30 mm), dual-piston calipers
• - -	• • • Brakes (rear): Solid discs (286 x 10 mm), single-piston calipers
-	• • • Brakes (rear): Ventilated discs (290 x 18 mm), single-piston calipers
	• • • Brakes: Electronic parking brake
	• • • Hill Holder system: Driver-selectable
	• • • Structure: Advanced ring-shaped reinforcement frame
	• • • Structure: Dual, side-impact door beams (front and rear)
	• • • Suspension: 4-wheel fully independent
	• • • Suspension (front): MacPherson strut
	• • • Suspension (rear): Double-wishbone

SAFETY AND SECURITY

	• • • Airbags (SRS): Driver dual-stage deployment with seat position sensor
	• • • Airbags (SRS): Front passenger dual-stage deployment with occupant detection system
	• • • Airbags (SRS): Front seat side-impact
	• • • Airbags (SRS): Side curtain
	• • • Child safety: Rear door locking system
	• • • Child safety: Rear seat ISO-FIX/LATCH anchor system
	• • • Head restraints (front): Height-adjustable
	• • • Head restraints (rear): Removable, height-adjustable
	• • • Seats (front): Whiplash-reducing

SAFETY AND SECURITY (continued)

	• • • Seatbelts (front): 3-point height-adjustable with pretensioners and load limiters (Driver - ELR / Passenger - ALR)
	• • • Seatbelts (rear): 3-point, all seating positions (ALR)
	• • • Security: Anti-theft system and engine immobilizer system
	• • • Security: Keyless entry system with panic alarm (separate door and cargo access controls)
	• • • Traction Control System
	• • • Vehicle Dynamics Control system with lateral-g and yaw-rate sensor

EXTERIOR

	• • • Door mirrors: Power-adjustable, foldable and heated (body colour)
LP	• LP Door sill: Brushed aluminum (front doors)
CP/SP/LP	- - Exhaust: Single muffler, stainless steel tip
-	• • • Exhaust: Twin mufflers, stainless steel tips
SP	• - Fog lights: Multi-reflector halogen
	• • • Headlights: Fully automatic
	• • • Headlights: Contoured multi-reflector halogen (high beam)
	• • • Headlights: Projector beam halogen (low beam)
-	• - Hood: Functional hood scoop for intercooler air flow
SP/LP	• • Sunroof: Glass, power tilting and sliding with sunshade
SP	• - Spoiler: Low-profile, integrated brake light
	• - - Tires: 205/60 R16 91V Bridgestone® Turanza™ EL400 M+S All-Season
SP/LP	- - Tires: 215/50 R17 90V Bridgestone Turanza EL400 M+S All-Season
-	• - Tires: 225/45 R18 91W Bridgestone Potenza™ RE050A Summer Performance [†]
-	- • Tires: 225/50 R17 93V Bridgestone Turanza EL400 M+S All-Season

[†]Please review Owner's Manual for usage details.

AVAILABLE PACKAGES

CONVENIENCE PACKAGE:

Available on Legacy 2.5i (Lineartronic CVT only)

- 16-inch aluminum alloy wheels
- Stainless steel exhaust tip
- 10-way power-adjustable driver's seat including lumbar support
- Voice-activated blueconnect Bluetooth hands-free system

PZEV OPTION:

Available with Convenience Package

- PZEV emissions equipment
- PZEV rear badge
- PZEV embroidered floor mats

Legacy PZEV meets Partial Zero Emission Vehicle (PZEV) standards.

SPORT PACKAGE:

Available on Legacy 2.5i

- 17-inch aluminum alloy wheels
- Power tilting and sliding glass sunroof
- Low-profile rear spoiler with integrated brake light
- Windshield wiper de-icer
- Stainless steel exhaust tip
- Multi-reflector halogen fog lights
- 10-way power-adjustable driver's seat including lumbar support
- Leather-wrapped gear selector (6MT) and steering wheel
- Auto-dimming rearview mirror with compass
- Power windows with illuminated switches (driver's auto up/down)
- MediaHub for iPod/USB audio integration
- SIRIUS Satellite Radio installed (free 3-month trial subscription included)
- Voice-activated blueconnect Bluetooth hands-free system

Additional packages on back panel.

AVAILABLE PACKAGES

LIMITED PACKAGE:

Available on Legacy 2.5i (Lineartronic CVT only) and 3.6R (5EAT)

- 17-inch aluminum alloy wheels*
- Power tilting and sliding glass sunroof*
- Windshield wiper de-icer*
- Stainless steel exhaust tip(s)*
- Premium AM/FM/6CD/MP3/WMA audio system
- 9-speaker Harman Kardon system including subwoofer
- 440-watt Harman Kardon amplifier
- MediaHub for iPod/USB audio integration*
- SIRIUS Satellite Radio installed (free 3-month trial subscription included)*
- Voice-activated blueconnect Bluetooth hands-free system*

- Leather-wrapped steering wheel*
- Woodgrain interior trim
- Brushed aluminum front door sills
- Automatic dual-zone climate control with synchronize button
- Auto-dimming rearview mirror with compass*
- Power windows with illuminated switches (driver's auto up/down)
- 10-way power-adjustable driver's seat including lumbar support*
- 4-way power-adjustable passenger seat
- Perforated leather seating surfaces
