

# SUBARU PROTECTION PLAN

Charged up to keep  
your new love electrifying

SUBARU PROTECTION PLANS ARE DESIGNED  
FOR YOUR **ELECTRIC VEHICLE**

Charging into a new era,  
**together!**

In today's day and age, societal efforts to reduce carbon emissions combined with emerging technology have caused a major shift in the automotive industry.

We're amped up to do our part by helping to protect the environment and your drive with smart protection products for your specific needs.

## Why Subaru Protection Plan?

While electric vehicles are still relatively new, we've been at the forefront of the auto industry in protecting customers for over 45 years. Our vast experience and EV coverage helps sets us apart from the competition.

## COMMITTED TO KEEPING YOUR DRIVE **CLEAN**

Ask your Subaru Sales Consultant for  
details and purchase options.

Take **charge**  
and help protect  
your vehicle.

## SUBARU PROTECTION

Your vehicle deserves  
smart protection and  
we're ready to plug you  
into a wide range of  
robust coverage options  
to suit your driving  
habits and budget.

Driving an electric vehicle?  
**No problem.**
