

SUBARU

Confidence in Motion

2016 SUBARU CROSSTREK

The Crosstrek is compact enough to handle congested metropolitan areas with ease, yet gritty enough to adventure nearly anywhere. Built in a zero-landfill facility, the Crosstrek has been engineered for maximum capability and minimal environmental impact, especially when considering the standard Partial Zero Emission Vehicle (PZEV) equipment included on every Crosstrek.

- The 2016 Crosstrek welcomes a host of new updates and a refreshed exterior design.
- New standard 17-inch wheels, in conjunction with a newly designed front fascia build on the Crosstrek's rugged nature.
- With contrasting orange interior stitching and a new vibrant Hyper Blue exterior colour, the 2016 Crosstrek will appeal to adventurers, city slickers and everyone in between with its right-sized approach and enviable ground clearance.

MODEL LINEUP

Crosstrek Touring

2016 SUBARU CROSSTREK

AWARDS

Subaru's commitment to designing and engineering high-quality, safe, fun-to-drive vehicles is second to none. This approach is designed to give the Subaru driver an unsurpassed level of confidence behind the wheel.

Subaru is the only manufacturer with IIHS (Insurance Institute for Highway Safety) Top Safety Picks (TSPs) for all models for six consecutive years (2010-2015).

Insurance Institute for Highway Safety (IIHS)

2015 Top Safety Pick+
(when equipped with EyeSight Driver Assist Technology)

Insurance Institute for Highway Safety (IIHS)

2015 Top Safety Pick

Automotive Lease Guide (ALG)

Best Mainstream Brand - Subaru

LONGEVITY

- Subaru offers an industry-exclusive comprehensive extended maintenance schedule all the way up to 500,000 KM.
- It still stands that no other manufacturer of consumer vehicles offers this length of maintenance schedule.
- Fully 97% of Subaru vehicles sold in Canada over the last 10 years are still on the road today.

Based on IHS Automotive: Polk Canadian vehicles in operation and new registrations MY 2005-2014 as of June 30, 2014.
